

MANUFACTURER-ISSUED / SELECTED-TEST COMPLIANCE

EMC Compliance Certificate

X1 Pro

Technical model / SKU: OLV-IMU01-9DB

CERTIFICATE NO. OR-EMC-CERT-X1P-001	ISSUE DATE 12 January 2026	REVISION 1.0	PLACE OF ISSUE Ottobrunn, Germany
---	--------------------------------------	------------------------	---

Olive Robotics GmbH hereby certifies that **X1 Pro** is the marketing designation for technical model / SKU OLV-IMU01-9DB. SGS Germany GmbH Test Report T4350001 identifies this model, serial number 1673400008, as a component of the tested Rosella One Series / Olive Robotics ANT Kit system EUT. The system EUT passed the selected EMC tests summarized below.

Regulatory framework: Directive 2014/30/EU (Electromagnetic Compatibility). **Independent evidence:** SGS Germany GmbH Test Report No. T4350001, Order No. T435.

SELECTED EMC TEST RESULTS

TEST AREA	STANDARD / METHOD	TEST LEVEL / RANGE	STATUS
Radiated emissions	EN 55032:2015+A11:2020	30 MHz to 1 GHz; Class B	PASS
Radiated emissions	EN 55032:2015+A11:2020	1 GHz to 6 GHz; Class B	PASS
Radiated RF immunity	EN 55035:2017+A11:2020 IEC 61000-4-3	80 MHz to 1 GHz plus selected fixed frequencies through 5 GHz; 3 V/m	PASS
Electrostatic discharge	EN 55035:2017+A11:2020 IEC 61000-4-2	±4 kV contact; ±8 kV air	PASS

EVIDENCE BASIS

The SGS report states that the EUT complies with the selected tests of EN 55032:2015+A11:2020 and EN 55035:2017+A11:2020, and that the results relate only to the tested items described in that report.

Certificate scope. This manufacturer-issued certificate records the product identity and selected-test passes reported in SGS T4350001. The unit was evaluated within the stated ANT Kit system configuration. This document is not issued or endorsed by SGS, does not evidence every potentially applicable EMC phenomenon or configuration, and does not replace the EU Declaration of Conformity. Validity is limited to products manufactured to the identified technical model / SKU and an equivalent controlled configuration.

AUTHORIZATION

Authorized for and on behalf of Olive Robotics GmbH. This certificate becomes effective when signed by both authorized representatives.
